SCOTTY CAMERON

●●● NEW LOOK. NEW ATTITUDE.

With performance at the heart of each change, the new Scotty Cameron California line rolls out with new models and features, new graphics and new finish. Tour-proven deep face milling makes its debut producing a soft feel the pros rave about. Scotty's trademark triple red-dot graphics and a new Sea Mist finish give the new California line modern flash with a timeless appearance. The red-dots and factory interchangeable weights have an elegant industrial look and each California comes with Scotty's new Studio Design Pistolero grip with bold red lettering.

DEL MAR
Mid-mallet with
a flare neck

FASTBACK
Mid-mallet with
a single bend neck

MONTEREY
Double-step flange with
a pocket and plumbing neck

REFINED DESIGNS

Precisely engineered surface by surface, edge by edge with over thirty shape and blend improvements.

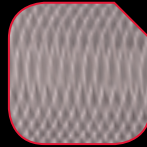

HIGH TOE

Aids square alignment and reduces the player tendency to pull putts by raising the toe at address.

PRECISION MILLED

Soft, 303 stainless steel for great feel.

DEEP MILLED FACE

Provides soft feel and sound.

SEA MIST FINISH

Sea Mist finish and red-dot graphics create a modern, but timeless look.

STEPLESS SHAFT

Provides a clean, uninterrupted address appearance.

SELECT WEIGHTING

Provides stability and allows the shaft length and head weight to be perfectly matched to the players' preference.

PISTOLERO GRIP

With dancing Cameron logo for a great feel in your hands.

PERFECTLY SQUARE SET-UP

Precisely milled angles in the face, sole and neck, and balanced shapes that flow to the ground.

LENGTH & WEIGHT OPTIONS*

Allow you to find the Cameron putter that meets your performance and feel requirements.

MONTEREY 1.5

Double-step flange with a pocket and flare neck

SONOMA

Mid mallet with a flow neck

THREE-DOT HEADCOVER

Marine-quality material with an industrial, high tech look.

FACTORY CUSTOM WEIGHTS

Cameron putters can be ordered in custom heavy (H) configurations. Custom loft, lie and grip options are also available.
