IF BALL MISSED GREEN MARK AN "X" FOR MISS TYPE

**KEY CONSIDERATIONS WHEN COMPARING GOLF BALLS:**

- Score
- Proximity to pin
- Greens hit
- Fairways hit
- Feel preference

**SPIN & YOUR GAME**

Understanding how spin affects your shots helps you make your final selection

- **Short Game** - More spin for more stopping power
- **Irons** - Lower spin produces straighter flight but reduces stopping power
- **Driver** - Minimize spin for longer and straighter drives

**ALL TITLEIST GOLF BALLS DELIVER LONG DISTANCE**

**GOLF BALL FITTING**

**LOWER YOUR SCORE WITH THE BEST GOLF BALL FOR YOUR GAME**

**ADVANCED ON COURSE EVALUATION SCORECARD**

**GETTING STARTED**

- Use a Titleist Golf Ball Selection Tool to find the two Titleist golf ball models best suited for your game
- Take the two golf balls to the golf course for the on course evaluation process - evaluate the golf balls with all shots in a green-to-tee approach (shorter shots first, working back to longer shots)
- Use the charts inside to track which golf ball performs best for each type of shot
